SKILLS

- **Languages :** C,C++,html,JS,Node.js
- **Tools/Platforms :** Excel, Word, Powerpoint, Proteus, KeiluVision, LogicXPro,Matlab.
- **Core ECE Concepts :** Assembly language, Micro-controller, Micro-Processor.
- **Soft Skills :** Problem-Solving Skills, Team Player, Project Management,, Quick Learner.

INTERNSHIP

1. **Organization :National Institute of Electronics and information Technology(NIELIT, Patna)** June-July 2023

   Technical Intren (Med: Summer Training)

   - Gained hands-on experience,the PCB designing
   - Performed the PCB fabrication process, from design to final assembly.
   - Enhanced technical skills in equipment maintenance and processes, ensuring operational efficiency.

Training Programs

1. **Central Tool room and Training Centre** Jan 2023
   - There I have learnt about the sensors and their working
   - Enhanced response accuracy by 15% through iterative training .

2. **Lovely Professional University ,skill training** Dec 2024
   - Plc based Designing ,learnt about its working and the simulator on LogiXpro
   - Enhanced the skill on it, and projects making on plc.

3. **Automatic Accident Detector** May 2024
   - Designed and implemented an Arduino-based automatic accident detector using gsm and gps module.
   - Used to detetct the magnitude of the acccident if the magnitude is more than a certain limit then it sends the location to given no

CERTIFICATES

- **Acmegrade : Web Devlopment Course** Feb 2023

EDUCATION

- **Lovely Professional University** 2024-2027
  Bachelor of Technology – Electronics and Communication Engineering **CGPA :6.3** **Punjab**, India

- **Central Institute of Technology** 2021-2024
  Diploma – Electronics and Communication Engineering; **CGPA : 7.8** **Assam**, India
